## Riolering timmermanstraat 51-53

Voorheen was het een post gebouw met min 5 werknemers in dienst die er full time werkten en zij hadden de toiletten en keuken voorzien in het achtergebouw.

Er waren dus 2 toiletten en 2 heren urinoirs en een keuken ( en 4 lavabo's)

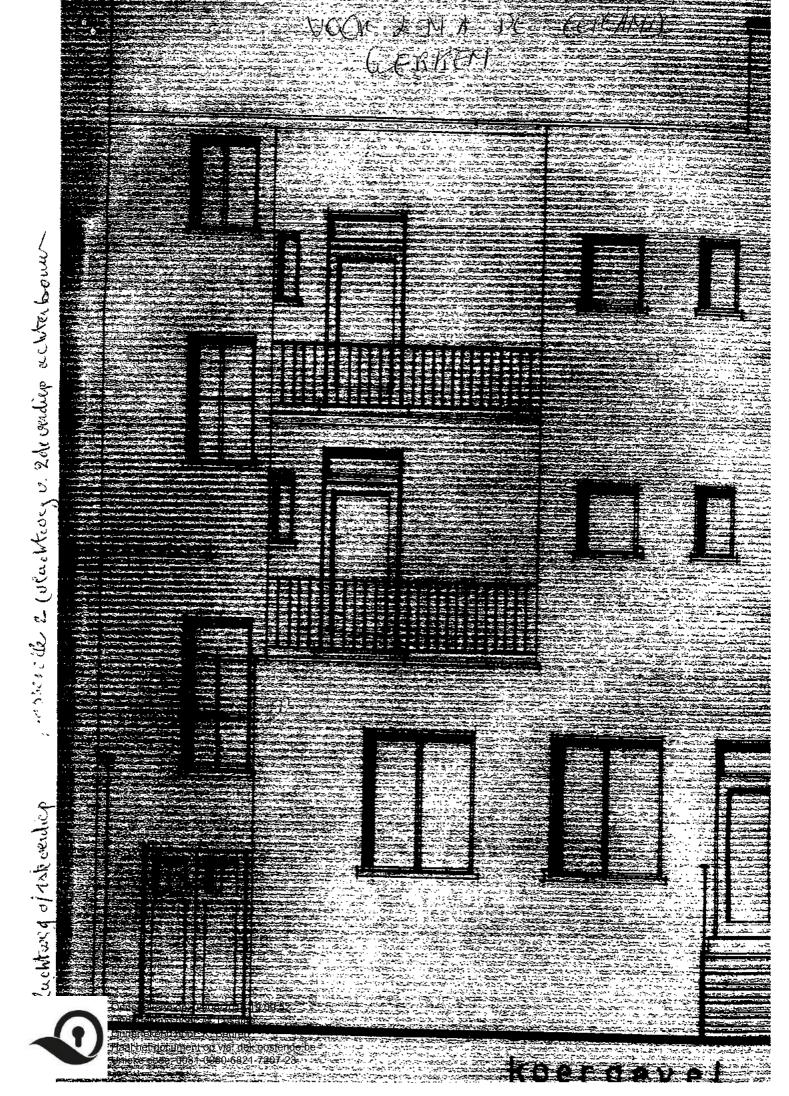

Deze worden nu als volgt verdeeld

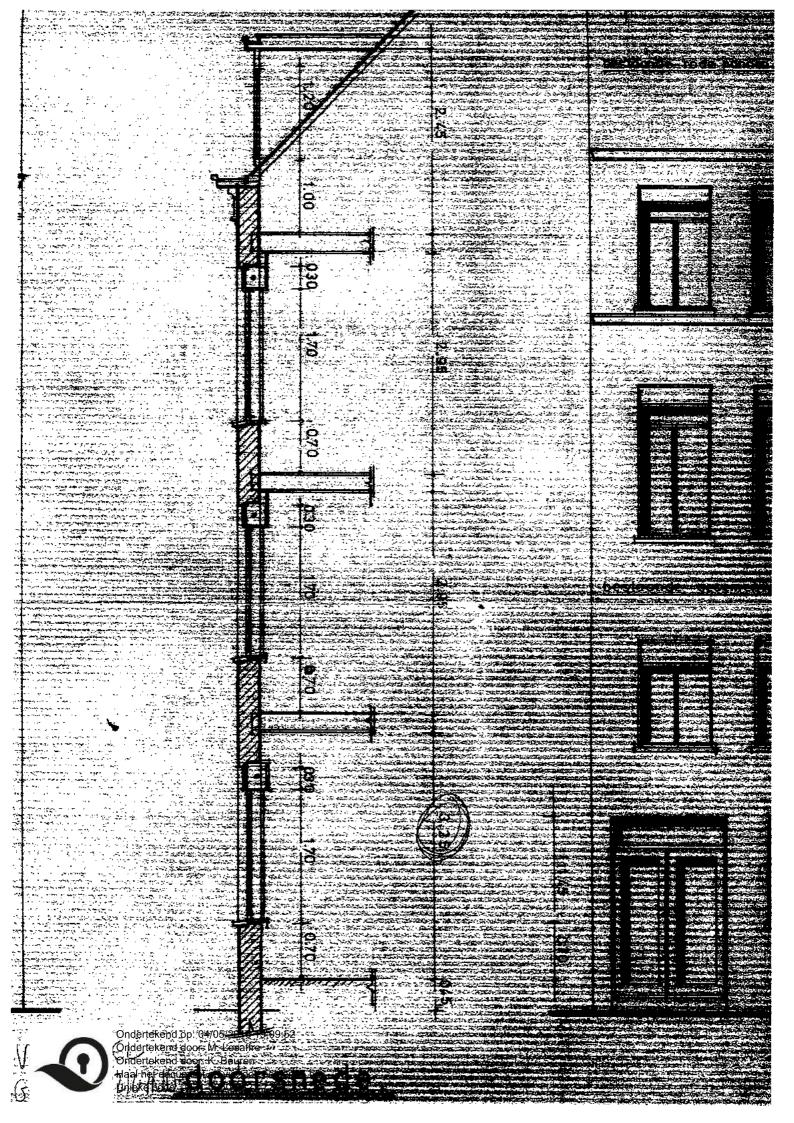

1 toilet voor de bureau en die urinoirs worden verwijderd

en I toilet per nieuw appartement die op de reeds bestaand afvoer zitten van de huidige toiletten die verwijderd worden.

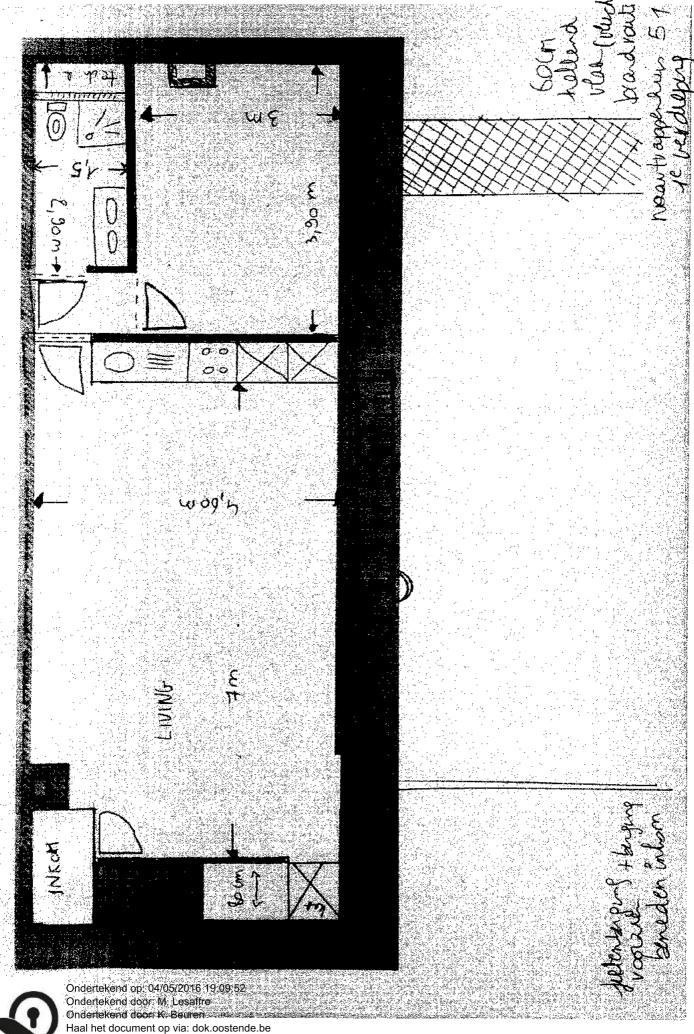

En het vuil water zal ook aangesloten worden op reeds bestaande afvoeren.
