An aerial photograph of a residential neighborhood. In the center, there is a large, dark, irregularly shaped area that appears to be a field or a large building. This central area is surrounded by numerous houses and trees. The houses are mostly single-story buildings with light-colored roofs. The trees are dark and dense, particularly in the upper left and lower right portions of the image. A road or street runs horizontally across the middle of the image, with several cars visible. The overall image has a grainy, high-contrast appearance, typical of older aerial photography.
